5th December, 2013

Dear Sir and Teachers,

We, the Little sisters of the Poor, thank you with all our hearts for your kindness and generosity in helping us towards the Mini Fete that was held on 1st December, 2013.

We implore the Almighty to bless and reward you for your effort to make a good collection through Raffle Tickets. The encouragement you had given to the students and others is appreciated. Our grateful thanks goes specially to your staff and the students who were the active participants for the event.

We are very happy and congratulate you – Teachers and the Students – for your effort, tireless work you had put in, encouragement and the Cooperation, above all the Love and Concern with which you had taken up, with remarkable Joy and Readiness, your participation in this event.

Please be assured of our prayers together with those of our dear Aged Residents who remember every one of you in their daily prayers. As a token of our appreciation and gratitude, we say a **“BIG THANK YOU” & “GOD BLESS !”**

May God Grant you and your near and dear ones all your heart's desires.

With renewed Thanks and God's Choicest Blessings ,

Yours Gratefully,

Sr. Mary Angeline I.S.P.
