

**THE BGES SCHOOL (ICSE)
12B, HEYSHAM ROAD KOLKATA- 7000 020**

**PASTI SE PUSTAK – Maha Pasti Abhiyaan 3 Organised by Arham Yuva Seva Group
(An Appeal to support Education of UNDERPRIVILEGED Children)**

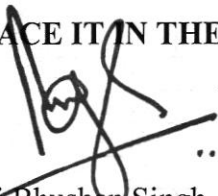

To spread the importance and awareness of Education as “EDUCATION IS THE MOST POWERFUL WEAPON TO CHANGE THIS WORLD” **the School looks forward to the cooperation of the students to donate generously old newspapers that are unsoiled.** For this purpose a box shall henceforth be placed near the Security at the gate.

As a school we should reach forward and assist an NGO working for the benefit of the less fortunate children of the society.

Our such help may enable financing the education of such less fortunate children and prevent them from being appointed as child labour.

Our such efforts would result in lighting up the faces of a vast majority of underprivileged children of our country and change their fate for the better which would help in creation of an educated and civilised society free from inequalities.

ALL STUDENTS TEACHERS AND STAFF MEMBERS ARE REQUESTED TO PLEASE GET AS MANY AS POSSIBLE OLD NEWSPAPER (NOT SOILED) AND PLACE IT IN THE BOX KEPT FOR THIS PURPOSE NEXT TO SECURITY.
